Re: Discontinuation of Tests

The 2020 Directory of Services was sent out earlier this year. The Directory of Services is a resource meant to guide you from specimen collection through the processing and reporting of tests offered by our laboratory.

We have discontinued the following tests:

- Chlamydia Culture
- Cytomegalovirus Antibody, IgM
- Epstein-Barr Virus Antibody, IgM
- Mycoplasma pneumoniae Antibody, IgM

For the updated Directory of Services and/or Test Request Form, please refer to our website:

<http://www.ndhealth.gov/microlab/>

If you have any questions, please contact our facility for the recommended guidance.

We are here to serve you!
